If the fund invests in another fund managed by Fidelity, which in turn invests more than 10% of its net assets in any third-tier fund also managed by Fidelity, the Top Issuers table would include a pro-rata look-through into the assets held by the third tier fund. This amount will be disclosed if it meets the criteria to be included in the Top Issuers table.

Where applicable, the information in the above tables includes the Fund's pro-rata share of the investment in any Fidelity managed underlying fund.

The summary of investment portfolio may change due to ongoing portfolio transactions of the investment fund.
